SUBJECT: SUMMARY ANNUAL REPORT FOR
NATIONAL ROOFING INDUSTRY PENSION FUND

Gentlemen:

ERISA and Department of Labor regulations require employee benefit plans filing annual report Form 5500 with the Employee Benefit Security Administration to furnish participants and beneficiaries with a summary annual report. This summary annual report must be furnished within two months after Form 5500 is due. In the case of your plan, it must be furnished by December 15, 2008.

To assist you in meeting this requirement, we have prepared a draft of a summary annual report which we believe will satisfy the regulations. If you wish to add any additional comments, they should be inserted at the end of the report under the caption "Additional Information".

The summary annual report must be furnished to all participants and beneficiaries by a method likely to result in full distribution. In addition, the completed Form 5500 must be available to participants as described in the last part of the summary annual report. We suggest that you discuss the presentation of this summary report and the distribution and foreign language requirements with your legal counsel.

Sincerely,

Legacy Professionals LLP
